

McPherson County All Schools Day

Building a Float for the All Schools Day Parade

Don't take this responsibility too seriously, try to have some fun! Many of you are first-timers, but that's GREAT, you bring new ideas and enthusiasm. Keep in mind that All Schools Day is a FUN day, focused on children and the operation should keep that attitude. Your main objective is to create a float which will be a joy to your school or organization.

Each year 30,000-35,000 people enjoy the All Schools Day parade, so design your float to create lasting memories of the 2023 parade. Winning a prize is a bonus, but the main reason for entering is bringing a good experience to the group you are representing. If you have accomplished this goal, made some new friends, and had a few laughs – you are already a big winner!

This year's theme: **Small Towns, Big Dreams**

The 2023 parade will be the 110th year for All Schools Day!

This year's parade will begin at 10:30 a.m. on Friday, May 12, 2023.

Registration begins Monday, April 3rd

Register your entry by Friday, May 10th to be included in the parade.

(Please note: Incentive payouts are not available May 1-5)

\$400 incentive money to build a float:

Categories that qualify for incentive money are:

- Royalty
- Preschool
- Kindergarten
- Schools
- Town & Misc. Floats / Adult Organizations
- Youth Organizations

To receive float incentive money, you must BUILD a float. Decorating a car, carriage, etc. does not qualify.

1. \$150 will be given to you when you register at Farm Bureau Financial Services – Luke Bauer, 210 E. Euclid, McPherson, or when you pick up your registration packet if you registered via the All Schools Day website.
2. If you register online, you must still pick up your registration number from Farm Bureau Financial Services – Luke Bauer, as you will need to post it on your float.
3. As you build your float, keep all your receipts. If your receipts for float expenses total over \$150, you will be reimbursed up to \$400 (an additional \$250).
4. Float reimbursements will be paid for float supplies only!! No shirts, sunglasses, hats, etc. will be paid for.
5. If you receive float incentive money but do not enter a float in the parade, all incentive money received must be returned to the All Schools Day committee.

Registration Forms are available on the website (AllSchoolsDay.com), and Farm Bureau Financial Services – Luke Bauer, 210 E. Euclid beginning Monday, April 3.

Where can I build or store my float?

This is probably the #1 question we get. Our recommendation is to check with the people that built your group's float last year, find out where they built the float, then contact that entity to see if the space is available again this year.

If the property being used for storage is either privately owned or on City grounds, any persons using those facilities must be over 18 years of age. We are unable to allow children onto the property.

Float Judging and Prize Money

Only floats which qualify for incentive money will be judged. Representatives from each town in the County will be judges. Categories are:

- Pre-School.....\$150.00
- Kindergarten\$150.00
- Royalty.....\$150.00
- Best Use of Theme.....\$150.00
- People’s Choice Award.....\$150.00
- Best Commercial Entry.....Traveling Trophy

Winners will be posted by 5:00 p.m. on Friday, May 12 at the Chamber office, Ad Astra Radio Station, and on the All Schools Day Facebook page.

Prize money will be mailed to winners on Monday, May 15.

Questions about the parade or building / entering a float?

Then plan to attend the meeting on Monday, March 20th at 5:15 pm. It will be held at Peoples Financial, 200 S. Main St., McPherson. Many of your questions will be answered there. And for those we can’t answer, we’ll track down the answer and let you know!

*****Attention Float Drivers*****

Floats must enter Main Street from the NORTH, coming in off of 1st Street. **Do not** try to enter the parade staging area from the side streets between the railroad tracks and First Street.

McPherson County All Schools Day Parade, Friday, May 12

NOTICE: Floats and vehicles should be in place in the staging area by 9:00 a.m. Participants can assemble prior to 9:45 a.m. Judging will begin at 9:30 a.m. In order to be considered for a prize, you must be in your assigned area. Kindergarten & Pre-K floats will be judged beginning at 10:00 a.m. If your entry is not being judged, please be in the area by 9:45 a.m.

PARADE STARTS AT 10:30 A.M.

THROWING candy, balloons etc. from parade participants to parade spectators is **NOT ALLOWED** for safety and parade movement. **HANDING** items to parade spectators is allowed by parade participants **WALKING** along the edge of the parade route. Vehicles or floats are not permitted to stop along the parade route to load or unload people.

PARENTS: Be sure that kids' floats, bicycles, costumes, etc. are not restrictive to hinder the child in walking or pedaling the entire parade route. **KINDERGARTEN KIDS need to be picked up immediately after they get through the parade in the 'Kids Unloading Zone'**

all other Vehicles/Cycles (2100)..... 700 Block N. Main
18. HorsesSaddle Club Arena on west First Street

Note: The registration numbering system does not reference the order of the parade.

The following are rules, hints, and suggestions to make your task easier:

- ↗ The 2023 All Schools Day theme is: Small Towns, Big Dreams
- ↗ All entries must be registered either online or at Farm Bureau Financial Services – Luke Bauer by Wednesday, May 10th, before 5:00 p.m. ***Your registration number must be picked up by this same time, even if you register online.***
- ↗ Decide early on how you will tie your float to this theme. Draw a rough sketch with dimensions to help in determining the truck or trailer being used.
- ↗ Square shapes with straight lines are the most simple to construct.
- ↗ Covering Floral Sheeting is the best, but most expensive to use. It comes in 3'X 3' squares. It should have a solid backing to staple to like plywood or cardboard.
- ↗ The float can be a truck, trailer or hayrack and four wheels is always the best.
- ↗ Staple gun is convenient for fastening cardboard and the floral sheeting to the float. Secure it well because on a breezy day, your decoration may go flying.
- ↗ Floats need to be pulled by vehicles large enough to maintain a steady pace, but not so large to detract from the float. There should be **NO COMMERCIAL ADVERTISING** on the float or vehicle unless you have registered to participate in the parade as a commercial entry. You will spend many hours planning, designing, and constructing your float, so choose your pulling vehicle to compliment the float.
- ↗ Included is an entry sheet to be filled out and returned to at Farm Bureau Financial Services – Luke Bauer (or completed on the website). This is the only description of your float media purposes. Also list the people riding on the float (if not a large group) and any other interesting facts.
- ↗ The name of your organization, or your slogan when a part of the float, should be VERY LEGIBLE to those viewing the parade. We ask that you put a cardboard sign on the front of your float or pulling vehicle (whichever is seen the best) and also on the back of the float. Use cardboard signs at least 4" X 18". Print only your name with letters at least as large as the numbers you are issued.
- ↗ Floats must be **LESS** than 15' tall and 14' wide to clear the power lines.
- ↗ Place your Float Numbers on LEFT FRONT and BACK RIGHT sides of your float. Numbers should be visible to the crowd. Float numbers must be obtained from at Farm Bureau Financial Services – Luke Bauer, *by 5:00 pm on Wednesday prior to the parade.*
- ↗ Float decoration materials can be found online by searching for “parade float decorating materials”.
- ↗ Race cars and other motorized vehicles with loud engines are not permitted to be driven in the parade. They may be pulled through the parade on a trailer.
- ↗ Children driving motorized vehicles must be of legal age and in possession of a valid driver’s license. This does not apply to “child-type” vehicles that are battery powered.

All Schools Day Float Registration

Registration begins April 3

<i>To be completed by All Schools Day</i>	
Registration# _____	Category _____

To be completed by School/Organization/Individual:

Name of School/Organization/Individual _____

Contact Person _____ **Telephone #** _____
